

2010 CDC Project Management Summit

Closing

3:45 – 4:00

Sandra McGill, MPA, PMP

Assistant Director, IT Planning and Evaluation
Team Lead for Capital Planning and Investment Control

U.S. Department of Health and Human Services

Centers for Disease Control and Prevention

Things to Remember

1. *EPLC is a framework that can be tailored to meet the needs of the project*
2. *EPLC is not intended to be a paper process!*
3. *There are many job aids to assist project managers, critical partners, business owners, and IR Governance Committee Members in applying EPLC on their projects and in their organizations*

Things to Remember

1. *Today's presentations will be posted on the CDC Unified Process*
<http://www2.cdc.gov/cdcup/pmsummit/>
2. *Certifications of Participation will be distributed to those that signed in*

We hoped you enjoyed the day!
